Practice
Use pharmacy and doctor dialogues.

Travel
Ask for help abroad with confidence.

Body parts

Point, say, and repeat the words on the diagram.

Head

head, eyes, ear, nose, mouth

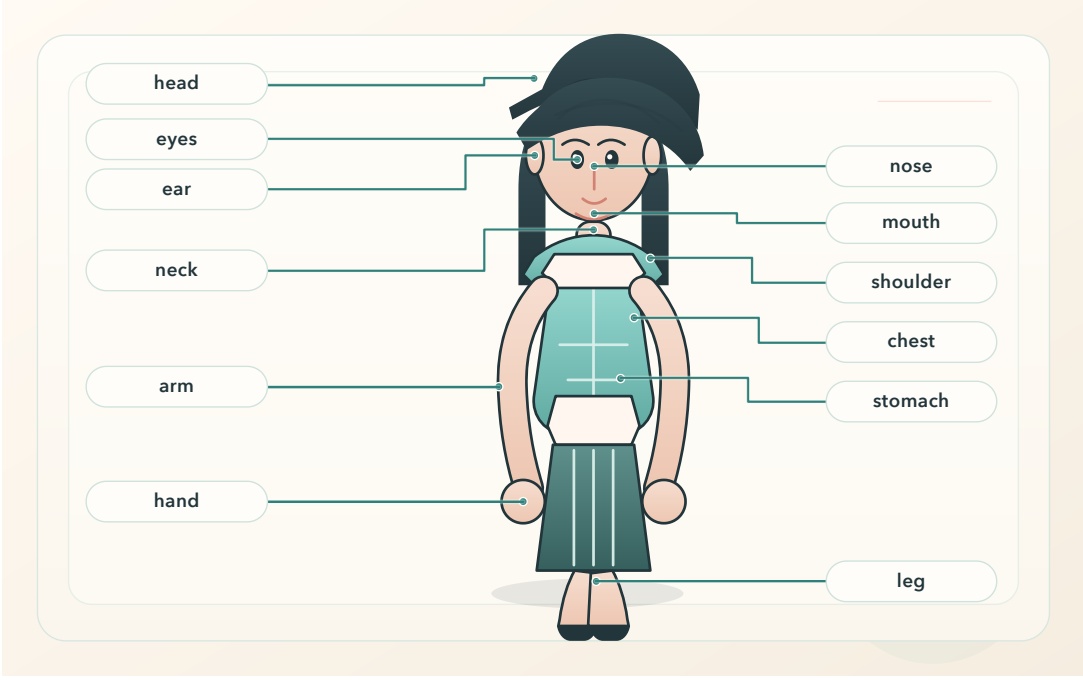
Upper body

neck, shoulder, chest, stomach

Arms and legs

arm, hand, leg

Use this slide for pointing. Use the next slide for speaking examples.



Body parts: more useful words

throat
My throat hurts.

stomach
My stomach hurts.

back
My back hurts.

Use them in simple sentences

arm
My arm hurts.

leg
My leg hurts.

Pattern: **My + body part + hurts.**

Common problems to say clearly

Use one simple word first.

headache
Pain in your head

sore throat
Pain when you swallow

cough
You cough many times

stomachache
Pain in your stomach

fever
Your temperature is high

Sentence pattern: **I have a headache.**

Simple speaking patterns

I have a headache.

My throat hurts.

I feel sick.

I need some medicine.

What do you recommend?

Change one word

I have a...
cough, fever, stomachache

My ... hurts.
head, back, ear

I need...
tablets, cough syrup, a doctor

Short sentences work well in a stressful situation.

01

At the Pharmacy

How to explain the problem and ask for the right product

Useful pharmacy words

Know the product names.

- painkillers
- cough syrup
- tablets
- bandage
- thermometer

Ask for it
Do you have cough syrup?

Say why
I have a headache.

Ask one more question
How often do I take it?

Short dialogue at the pharmacy

Read the dialogue from top to bottom.

CUSTOMER

Customer: Hello, I need help.

Customer: I have a cough.

Customer: How often do I take it?

PHARMACIST

Pharmacist: What is the problem?

Pharmacist: Try this cough syrup.

Pharmacist: Three times a day.

Exercise 1: Match the problem

Say each problem, then match it to the best product.

A. headache pain in your head

B. cough you cough many times

C. cut a small skin injury

Number	Product
1	painkillers
2	cough syrup
3	bandage

Discuss first. Check together after speaking.

02

Visiting a Doctor

UNIT 2

The main questions are short, direct, and easy to answer

Short doctor visit dialogue

Doctor: What seems wrong?

Patient: My stomach hurts.

Doctor: Since when?

Patient: Since this morning.

Doctor: Drink water and rest.

Patient: Thank you, doctor.

Follow the conversation row by row.

What usually happens

1. Check in
Speak to reception.

2. Wait
Wait for your turn.

3. Explain
Say the problem in one or two short sentences.

Key questions

What seems wrong?
My stomach hurts.

Where does it hurt?
My back hurts.

How long has it lasted?
Since this morning.

Helpful phrases on vacation

Use calm, clear English.

- I don't feel well.
- Is there a pharmacy nearby?
- I need a doctor.
- Can you help me, please?
- Where is the nearest clinic?

Polite and simple language is usually the best choice.

At a hotel
I need a doctor, please.

On the street
Is there a pharmacy nearby?

In a taxi
Please take me to a clinic.

Simple action plan

1. Feel sick?
Stop and check your symptoms.

2. Mild problem
Rest and drink water.

3. Need medicine
Go to a pharmacy.

4. Still worse?
Go to a clinic.

Emergency warning: **Call emergency help for severe symptoms.**

Words on medicine boxes

These words matter.

once a day
take it one time each day

twice a day
take it two times each day

after food
take it after eating

allergy
this may cause a bad reaction

do not drive
it can make you sleepy

Ask: Can you explain this, please?

Exercise 2: Choose a useful phrase

Choose the sentence that directly helps in the situation.

1. Headache

A. My head hurts.

B. I need a table.

2. Need medicine

A. Do you have tablets?

B. Where is the museum?

Teacher check

Ask: **Which sentence helps?**

Ask students to explain why.

Check answers after pair discussion.

Exercise 3: Role-play cards

CARD A

TOURIST

- You have a bad cough.
- Ask for cough syrup.
- Ask how often to take it.

CARD B

PHARMACIST

- Ask about the symptom.
- Offer cough syrup.
- Explain how often to take it.

Round 1: use the card as written. Round 2: switch roles and change the symptom.

Key takeaways

- Name body parts clearly.
- Describe basic symptoms.
- Ask for pharmacy products.
- Answer simple doctor questions.

Stay calm and ask for help.

CLOSING THOUGHT

Travel with confidence

Simple English can help you stay safe.

1. Ask clearly
2. Listen carefully
3. Follow instructions
